Housekeeping service is provided seven days per week 8:00 a.m. and 5:00 p.m. Daily housekeeping service is classified as either “Limited” or “Full” Service.

Limited Service: For guests staying between 1-6 nights daily housekeeping services include making beds, removing trash, cleaning bathrooms, replacing towels (if left on the floor), replenishing coffee bar amenities, and providing any light dusting or vacuuming as needed.

Full Service: For long-term guests (staying longer than 7 days) the housekeeping staff will also replace bed linens weekly. Other items included in full service housekeeping include vacuuming and mopping all tile floor areas, and dusting/polishing furniture.

Do Not Disturb

When the “Do Not Disturb” sign is posted on your door housekeeping services will not be provided unless it is removed by 2 pm. However, in order to maintain the quality of our facilities the housekeeping staff must have access to the rooms at least every three days. It is understandable that upon occasion when you or your family “sleeps in” the “Do Not Disturb” sign lets us know not to perform housekeeping services until later in the day. However, after the 3rd day with the “Do Not Disturb” sign on the door the housekeeping staff will enter the room to perform routine housekeeping services

Kitchen Units

All guests occupying TLF and Business Suite units are responsible for cleaning all lodging supplied pots, pans, dishes utensils, and appliances during occupancy and prior to checkout. Dish cloths, towels, soap and dishwasher detergent are provided for your use.

Guest Housekeeping Responsibilities

Guests are responsible for maintaining their rooms in a clean and organized manner.

Guest must allow housekeeping access to their rooms at least every 3rd day. Do not post the “Do Not Disturb” sign when away from the room.

Please contact the housekeeping office if you are a shift worker, or require specialized cleaning service. They can be reached at extension 7303 from your room phone.

We ask for your assistance by keeping personal items stored properly as our housekeepers are not permitted to move your belongings.

Please secure your valuables. A safe is provided (free of charge) for this purpose.

Recycling

Recycling and re-using are major environmental programs designed to eliminate waste while helping conserve natural resources.

If you would like to recycle your plastic or aluminum cans and bottles please leave these items on your kitchen/kitchenette counter and as part of the base recycling program our housekeeping staff will collect them

Westwind Inn

Guest Responsibilities

The following rules apply to all guests occupying rooms at the Westwind Inn:

While a guest in our rooms, lodging supplies, equipment and fixed assets are the guest's responsibility. If an item is damaged or destroyed through neglect or abuse, you may be required to pay for the cost of repair, replacement, or cleaning of that item. If you see anyone abusing or misappropriating lodging property please contact the front desk immediately.

The occupants will also be accountable for their conduct in government controlled rooms, conserve utilities according to energy conservation programs, report facility and furnishing maintenance needs, and follow all fire, health, and safety instructions.

Management reserves the right to enter any room (whether or not a "Do Not Disturb" sign is displayed) for the purpose of checking the upkeep of the facility or the safety of the occupant.

Furnishings have been arranged for the convenience of guests and housekeeping staff. Please do not rearrange.

Bicycles, auto parts, etc. may not be kept in rooms. Bicycles may not be locked to any stationary object except bicycle racks. **Personal BBO grills are not authorized on lodging property.**

Shirts and shoes must be worn in public and common areas including laundry rooms. Please use sidewalks and hard surfaces between buildings and parking lots. Shortcuts on grass areas leave noticeable trails and destroy the grass, resulting in grass and mud being tracked onto the carpet.

Towels & Linens

All guest rooms are stocked with the appropriate amount of towels and bed linens according to AF Lodging Standards.

If you require any additional items (blankets, pillows, towels, etc.) please contact the housekeeping department at ext. 7303 or the front desk at ext. 0 and we'll accommodate as best we can.

Please do not remove towels or linens from the guest rooms.

NOTE: Guests are responsible for any damages to linen items. Please **DO NOT** use the towels or linens to polish shoes, remove makeup, wash your car, etc. Guests will be charged the replacement cost for all damaged or missing items.

Emergency Management Information

Shelter In Place

Chemical, biological, or radiological contaminants may be released accidentally or intentionally into the environment. Should this occur sheltering in place is a precaution aimed to keep you safe while remaining indoors. (This is not the same thing as going to a shelter in case of a storm.)

If required to Shelter in Place, you will be notified via telephone or by word of mouth from a lodging staff member on how to protect yourself. Information may also be provided by local and/or base officials by television or radio

YOUR GUEST ROOM IS YOUR PRIMARY SHELTER-IN-PLACE LOCATION

Earthquakes

There are actions you can take, even while an earthquake is happening, that will reduce your chances of being hurt. Lights may be out, and hallways, stairs, and room exits may be blocked by fallen furniture, ceiling tiles, and other debris:

- If an earthquake strikes, you may be able to take cover under a heavy desk or table
- If cover is not available, go to an inner corner or doorway, away from windows, hanging objects, bookcases, or other large furniture that could fall.
- Grab something to shield your head and face from falling debris and broken glass.

Your safety and comfort are our paramount concerns. Please take a moment to review our rules to ensure your safety and the safety of others. If you have any questions, please contact our guest services representatives or any member of our staff.
